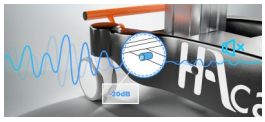
- Two widths to suit every body type
- Facilitate maintenance
- The QR Code for accessing all information

CE MD MANAGEMENT ET SATISFACTION CLIENT ISO 9001 DISPOSITIF MÉDICAL ISO 13485

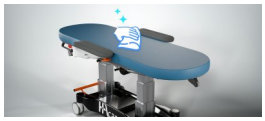


Combating noise pollution

Anti-vibration support, **high-performance shock absorber**: for **smooth**, **quiet**, and **comfortable transport**, even when crossing thresholds or exiting elevators. **Noise pollution is significantly reduced.**

Combating musculoskeletal disorders

Ergonomic handles, double casters, and **a fifth synchronized swivel wheel** for **optimal maneuverability**. Designed to reduce musculoskeletal disorders and adapt to all body types.



Make cleaning easier

Disassembly and **cover removal** (via buttonholes) **without tools** for quick, **thorough cleaning**, **perfect hygiene**, and real comfort for nursing staff.

Ergonomics and comfort during sampling or treatment

Designed to fit all body types, **Body Flex armrests** are **multi-directional**, **adjustable**, and **can be moved** 7.5 cm for optimal arm positioning.

HOSPITAL

Performance
