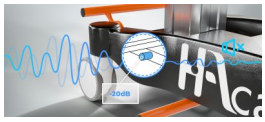
- The QR Code for accessing all information

CE MD MANAGEMENT ET SATISFACTION CLIENT ISO 9001 DISPOSITIF MÉDICAL ISO 13485



Combating noise pollution

Anti-vibration support, **high-performance shock absorber**: for **smooth**, **quiet**, and **comfortable transport**, even when crossing thresholds or exiting elevators. **Noise pollution is significantly reduced.**

Combating musculoskeletal disorders

Its **ergonomic, retractable handles, double wheels**, and **synchronized fifth steering wheel** optimize its maneuverability.
Its **four shock-resistant corner guards** and **integrated shock absorbers** absorb impacts.

TECH+ barriers with integrated controls

Autonomy and comfort for **patients**, ergonomics and **responsiveness** for **caregivers**.
Easy to access and assisted, they **facilitate every movement**, even during intensive use.

Optimize the treatment area

Tool-free attachment, immediate time savings. Quick access to the patient, freed-up treatment space, **accessories that can be adapted** to suit every need.

HOSPITAL
