- Secure tray for reliable preparation
- Extendable shelf
- Accessory rail
- Easy CLEAN

MANAGEMENT ET SATISFACTION CLIENT ISO 9001

DISPOSITIF MÉDICAL ISO 13485

Combating noise pollution

Anti-vibration support, high-performance **shock absorber**: for smooth, **quiet**, and comfortable **movement**, even when crossing thresholds or exiting elevators.
Noise pollution is significantly **reduced**.

Optimize the treatment area

The accessories can be **attached** in a single step, **without any tools**, providing immediate time saving.
The **accessories** are fully **modular** and adapt to every need and every care situation, for **smoother** and **more efficient work** on a daily basis.

Enhanced security and traceability

The **numbered seal protects the contents** of the emergency cart and ensures **complete traceability**. Each **opening** is **monitored**, guaranteeing security, **integrity of the equipment**, and **compliance** with protocols during interventions.

Motorization with the 5th wheel

The **motorization**, combined with a **5th swivel wheel,** offers excellent **maneuverability**.
It **makes** getting **around easier** with its **removable**, **lockable battery**, a **20-kilometer range**, and a **forward/reverse throttle** equipped with an **electric brake.**
