Care and service equipment - Operating room

Product ref: PP-M60010-V9

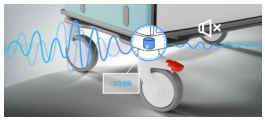

HIGHLIGHTS

- Protect and lock
- Safety tray for reliable preparation
- Extendable shelf
- Easy cleaning

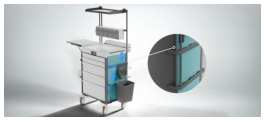

MANAGEMENT ET SATISFACTION CLIENT ISO 9001

DISPOSITIF MÉDICAL ISO 13485

Fighting noise pollution

Support anti-vibration, high-performance shock absorber: for smooth, quiet and comfortable movements, even when crossing thresholds or exiting elevators. The noise pollution is significantly reduced..

Optimizing the treatment surface

The attachment of accessories is done in a single gesture, without any tools, offering immediate time saving. The accessories, entirely modular, adapt to every need and every care situation, for smoother and efficient work every day..

Secure storage

Locks electronic with digicode, RFID or by simple key for security adapted to each use. The RFID offers rapid and secure access, limiting access to authorized personnel. Traceability, reliability and everyday practicality.

Motorization with 5e Wheels

The Motorization, combined with a 5e swivel wheel, offers great maneuverability. It makes it easy to move with its retractable battery, key-secured, its 20 km range, and its front/rear trigger equipped with an electro-brake.

HOSPITAL

Performance

Width	78,2 cm
